

Dr. Michael Mitchell, MD, Expands Mitchell Medical PC with New Yonkers, NY Location

Yonkers, NY — [4/23/25] — Mitchell Medical PC, a leading practice specializing in personalized addiction medicine, is proud to announce the opening of its second location in Yonkers, New York. This expansion marks a major milestone for the practice and extends the reach of its signature at-home detox programs to more individuals across Westchester County and the Greater New York area.

Founded by Dr. Michael Mitchell, MD, who is Board Certified by the American Board of Addiction Medicine and the American Board of Preventive Medicine in Addiction Medicine, Mitchell Medical PC is known for its compassionate, effective approach to recovery. Dr. Mitchell brings over a decade of clinical experience in addiction medicine, with a focus on delivering patient-centered care that's discreet, efficient, and results-driven.

"We've seen that when people are treated with dignity and offered care that meets them where they are, recovery becomes more sustainable," said Dr. Mitchell. "Our second location is about reaching more people who need support—without the barriers and stigma that often come with traditional rehab."

The new Yonkers location will offer:

- Personalized at-home detox programs for alcohol, opioids, and other substances
- Medication-Assisted Treatment (MAT) for long-term relapse prevention
- Flexible scheduling and confidential, concierge-level care

Mitchell Medical PC's model stands out in the addiction treatment space by delivering rapid, medically supervised detox from the comfort of home. With 24/7 clinical access, daily check-ins from Dr. Mitchell himself, and continued care post-detox, patients experience a level of attention and comfort rarely found in traditional settings.
